

# Spartanburg Regional Salutes Our Palmetto Gold Nurses

Each year, the South Carolina Nurses Foundation honors 100 registered nurses in the state who exemplify excellence in nursing practice and commitment to the profession. Spartanburg Regional is proud that 12 of our own have received the Palmetto Gold Award for 2009.

To be judged as the best by your peers is truly an accomplishment. We appreciate your dedication to your profession, to our patients and to our community.

## *Spartanburg Regional Nurses Have a Certain Magnetism*

Spartanburg Regional is the only healthcare system in South Carolina to win the prestigious Magnet award for excellence in nursing services from the American Nurses Credentialing Center, the nation's leading credentialing organization.

Magnet status is tough to attain...but our patients deserve only the best.
